The label you sent from OEM is not set up correctly. Please contact the funders from EPAOSWER75OEM to have their signatures attached. Please have this request resubmitted once the signatures are added and we will add the cross funding.

Please be advised: This work was not field support, and should not go through R6. My assignment was to provide support through the HQ EOC. The code below was given to us by the HQ EOC Financial planners. Please use the Carmella provided below.

This isn't the correct label for Harvey travel. All cross funding for Harvey is supposed to be going through Region 6 using the following. Please verify and resubmit.

EPAR06SF
17 HARVEY RELIEF CROSSFUNDING
